Cartoon time

1. The cartoon does not specifically indicate that he doesn't, but the reader can infer that. The men's clothing, the rural-looking style of the house and gate all indicate that the cartoon is set in a rural area, and there is not usually much public transport available in rural areas. And the man is riding a horse, which he might not do if he could catch a bus.
2. It's a matter of opinion but maybe he isn't ecstatic.
3. Sarcastic, bitter, ironic, joking, taking the Mickey.
